Descripción
Lighthouses were built here since Gold Rush times to warn ships of the dangers. I spoke with City Guide Patricia Duff, who works for the United States Coast Guard in their Lighthouse Divestiture program. As Patricia told me, the lighthouses were operated by the U. S. Lighthouse Service until 1939, when the Coast Guard.
The historic structure report presented here exists in two formats. A traditional, printed version is available for study at the park, the Southeastern Regional Office of the NPS (SERO), and at a variety of other repositories. For more widespread access, the historic structure report also exists in a web-based format through.
